

21st Dave Spencer Ski Classic – February 22 -24, 2019

Put a team together. SKI. Race. Have fun! The Dave Spencer Ski Classic has it all AND benefits the Adaptive Sports Association (ASA), Durango's sport and recreation program for people with disabilities.

Fun Competitions - Saturday & Sunday

RACE HIGHLIGHTS (Saturday) - The Paradise Race Course will be the venue for those who can predict their race time and "hit it." Prizes will be awarded for consistency (both individual and team), speed, and of course, the best wipe-out!

MOUNTAIN RALLY (Sunday) - All teams are invited to participate in the mountain scavenger hunt and poker run. Prizes will be awarded for the best poker hand, correct trivia answers and other goofy happenings including costumes.

COSTUMES As always, **family friendly** costumes are encouraged and prizes will be awarded to individuals and teams. Here's your chance to be outrageous, but remember this is a family event.

FORMING YOUR TEAM Teams should consist of 5 people. If you need to be placed on a team, or you need a spot filled, we will be happy to make those arrangements for you.

Each team must raise a minimum of \$750 (\$150 per person). We only have room for a limited number of teams to ensure the quality of the experience for each racer (no waiting in unbelievably long lines to race, etc). Help us keep the event at a smaller, more enjoyable scale by raising above the \$150 minimum. Call us for fundraising tips and raise more money than you ever thought possible!

Prizes for the top fundraisers!

****Upon registering, each team member or individual racer will receive entry to all weekend events and discounted lift tickets****
